

# AL's Weekly Tech Tip 4.25

All BPS district staff, students grades (5–12) and their parents are subscribers to Atomic Learning and can get answers to their software question 24/7. Need the log on information? See below.

## *AL's Weekly Tech Tips*

April 25, 2007

Presenting *AL*, *Atomic Learning's* technology answer man. Each week *AL* will answer questions about various software applications. It's his way of reminding you that *Atomic Learning* has answers to these, and many more questions you might have.

NOTE: You must be logged in to view these tutorials. You might find it easier to view these tutorials if you go to <http://www.atomiclearning.com> before playing the tutorials.Â

### *Question 1*

Is there a way students can share their Blackboard portfolios with someone who doesn't have a Blackboard account?Â

AL, the Technology  
Answer Man!

#### *AL's answer*
